

Early Years Newsletter

HELP! We are desperate for your support at the summer fayre. We have limited numbers to help run stalls and we really need your help. Please come and join us. We'd look after you and we would love to see you there. If you cannot make the whole of the summer fayre you could do a shorter shift from 4-5.30pm or 5.30-7pm? Come and let us know if you can help.

Next week we are looking forward to our International Week exploring French language and culture. We will be reading 'The Lion in Paris' and we hope to enjoy a French breakfast.

As part of 'Wonderland Week', we looked at this scene from the film a little more closely...

We asked - *Was it wise for Alice to drink the liquid?* This led to some important discussion about safe and unsafe liquids around the home. We would appreciate it if you could revisit this theme with your child and note down anything important that they have learnt.

What a wonderful dads workshop morning we had this week - truly amazing! The children loved the talk on gas safety, the ICT workshop, making their own Reception jingle and looking inside a police car! We all enjoyed our morning and would love to see you back. Thank you again for your time, enthusiasm and support. We are incredibly grateful.

Woodhorn Colliery

We are off to Woodhorn Colliery next Tuesday for an all day trip. We are looking forward to learning more about mining and the lives of people who lived before us. Children need to wear their school uniform for the outing. All children are provided with a school packed lunch. As part of the packed lunch children are also provided with a bottle of water.

2015-2016

In your school bag you will find an invitation to meet your child's new class teacher. Please remember to take a look. Thank you.

The second half of Miss Heads' class need their bikes or scooters on Monday (29th). Many thanks!

Water Safety Week

We would like to say a huge thank you to Mrs Dugdale (Libby's mum) who came in to speak to us about keeping safe in the water. Mrs Dugdale is a swimming teacher. She had some extremely important advice for the children.

Week beginning: 22.6.15
