

Southridge First School Nursery Newsletter 8th January 2016

Happy New Year! We have had a lovely start to the term, the children have come in brilliantly, no settling in period necessary! They seem very eager to learn and are raring to go!
They have really enjoyed sharing all of their Christmas news with their friends.

This week we were revisiting all of our previously learned sounds, thinking of things that start with each sound. The children are becoming very good at hearing the initial sounds in words.

We have recapped numbers to 8 this week, focusing on number recognition and formation. Each day after the register we count the number of children in Nursery and they are getting very good at counting up to 26!

Following the children's interests, next week we will continue to learn about people who help us, especially learning about firemen and postmen. The children have enjoyed playing in our Nursery Post Office and delivering lots of letters to their friends!

Dates for your dairy:

- Friday 15th January - Deadline for admissions to reception

From Monday we will be introducing a new 'drop-off' point – please leave your child at the line before the drawers and let them come into the classroom on their own when you drop them off at 8:45am/ 12:30pm. We also have new name cards - with smaller pictures! We hope this will encourage more independence and name recognition.

Finally, have a great weekend and see you all on Monday!
Mrs Waller and Mrs Scott
