

Southridge First School Nursery Newsletter 29th January 2016

It has been another jam packed week in Nursery. The children have been busy learning the days of the week and are brilliant at singing along to our days of the week song!

This week the children have been learning about the phoneme /g/ and the sound it makes in words at the start of girl, gorilla, guitar, good, grass and green. They have worked really hard to master this sound and there have been no guh's!

The children enjoy watching this clip – get them to spot all of the red /g/ words.

The letter formation rhyme this week: we start at the top of the girls head, go around her face, down her hair and give it a curl – quite a complicated one- but the children love it! Can you spot something that starts with the sound /g/ at home?

Last week we baked some 'melted snowmen' biscuits using marshmallows and icing; and this week we are making 'polar bear faces' using cream cheese and crackers.

The snowmen all looked and tasted - great!

Next week, we are having a week long celebration for Chinese New Year – learning all about their culture and how they celebrate the new year of the monkey. Please do bring in any Chinese or monkey items you have at home!

Finally, we hope you have a great weekend and see you all on Monday!
