We are really looking forward to our trip to the Theatre on Monday afternoon. Please be aware that traffic may delay our return but we will be as close to 3.30pm as possible.

As part of our creative literacy we have extended our work on dragons. There is a great video of how Cressida Cowell draws a map of where her characters live.

Try making your own dragon map at home

This week we have been looking at all the different ways we can make 6.

At home get six items and see how many ways you can partition 6. You may want to make a partitioning board like this:

To help you, you could use counters, cars or any interesting items from home. Good luck and for a challenge try three ways. The video above will show you how. Please send us your ideas and pictures or even recordings.

These are all suggested ideas to support your child at home. Please do not feel that you have to **use all** of these ideas on a weekly basis.

We need to put warm joggers and trainers for outdoors in P.E bags as the hall will now be used for rehearsals for plays. We will be trying to get the children outside for P.E.
