Next half term is brief. For the four weeks we will be doing a Super Hero topic. Look out on the school website for the planning and please share any ideas you have with us. We will be looking for police, mountain rescue, doctors, nurses, midwives and firemen to name a few to come and speak to the children about the work they do every day. If you can help with this please see a member of staff.

These are all suggested ideas to support your child at home. Please do not feel that you have to ***use all*** of these ideas on a weekly basis.
