

Reception Newsletter: 22.2.16

Just a reminder: When your child reaches five years of age they are no longer eligible for free school milk. You will need to register and pay online to continue; otherwise your child is automatically taken off the class milk list. <https://www.coolmilk.com/schools>

You will need to apply the week before they are 5.

Our super Heroes Topic is giving us all Reception a real buzz! We have created our own secret identities, made masks, and were thrilled to meet some real life heroes on Tuesday, The Fire Brigade!

We have some amazing extended writing examples about our experience.

We are looking forward to the mountain rescue next week.

At home you can design your own super hero online. This is an excellent example for us of using technology for our assessment so please go online and share with us the super hero you made. You can print them off and send them in to us.

This week we have been exploring 3D shapes. We have practised their names and used language to describe them. What 3d shapes can you find at home?

These are all suggested ideas to support your child at home. Please do not feel that you have to **use all** of these ideas on a weekly basis.
