

Reception Newsletter 15.4.16

Welcome back!

It has been lovely to welcome the children back to school after the Easter holiday, they have settled beautifully and have been eager to share their holiday news. We also very much appreciate the emails and pictures you have been sending which keep us up to date with learning/activities/news from home, thank you and keep them coming.

We were delighted to see the arrival of new outdoor structures in the Reception yard this week. These structures have been made especially for us and consist of: a theatre, a shop front, bug hotels and a magnifying bench. We have been very excited and keeping our fingers crossed for dry weather all week so that we could get out and explore.

Milk reminder

When your child reaches five years of age they are no longer eligible for free school milk. You will need to register and pay online to continue otherwise your child is automatically taken off the class milk list.

We have caterpillars in Mrs Mason's class! We are observing them closely and we are hoping for butterflies so watch this space!

Have a lovely weekend and we will look forward to seeing you all on Monday.
