Five Countries in Five Days!

It's been an exciting week packed full with adventure. Every day we have boarded the 'Reception aircraft' and travelled to a different country where we have learned fun facts and new vocabulary.

On Monday we went to France and when we got back we built the Eiffel Tower using marshmallows and spaghetti.

On Tuesday we went to Spain and heard all about the Tomatina festival! We think it might be the world's biggest food fight!

We went to Germany on Friday and discovered that their highest mountain is called the Zugspitze, which means windy peak.

On Thursday we went to Greece, we listened to Greek music and learned how to Zorba dance.

On Wednesday we went to Italy and afterwards tried really hard to build a Leaning Tower of Pisa. Then we made our own pizzas to eat at snack time.

Perhaps you and your children could research and find some fun facts about a country we have not visited this week and bring them into school to share with the rest of the class.

To help book changing run smoothly can we please remind you to sign or comment in your **child's reading record book to indicate whether or not they have read at home.**

We hope enjoy the long weekend. 😊
