

These are some of the things my Grandpa and Grandma  
had when they were little.

(Try to include pictures of toys and things we might not see so much of today)

This week we have been looking closely at coins and how to solve simple problems with them. Try playing with money at home. Make coin tower and play shops

Sensorial Activity

Next week we will be reading *Grandpa Green* by Lane Smith. It is the story of a great-grandson through a garden where memories are handed down in the fanciful shapes of the topiary trees and imagination creates things forgotten.

Why not share you family photographs from your child's birth to today. It will really help us with our writing task next week as the children will be thinking about their own journey through life so far.

Please be aware your child will need their trainers everyday next week. It is sports and health week and we will be running a mile a day. Children will have a simple health diary to bring home and back to school so they can record their achievements and you can add in any things you feel are relevant.
